SUMMARY OF VIOLENT AND DISRUPTIVE INCIDENTS

July 1, 2003 Through June 30, 2004

School Name: North Rockland High School
BEDS Code: 50-02-01-06-0009

Each incident must be reported in *only* one category. If the incident involves more than one category, report it in the category with the lowest number. For example, if an incident involves a robbery (Category 7) and an assault with physical injury (Category 5), report the incident in Category 5. Category definitions are in the *Glossary of Terms Used in Reporting Violent and Disruptive Incidents*. Categories 1-8 should be used to report incidents involving physical injury or threat of injury, with or without the use of a weapon (except arson). Incidents in these categories must be reported regardless of whether or not the offender was disciplined or referred to law enforcement. Categories 9, and 1-15 should be used to report incidents that involve a threat of injury or disrupt the educational process and are serious enough to lead to a disciplinary or referral action listed in columns j-o. Incidents in Categories 9, and 1-15 that did not result in such action should not be reported on this form unless the incident involved weapons. However, reports of alleged incidents of intimidation, harassment, menacing, or bullying that did not result in a disciplinary action must be reported in Item 2. Incidents for which no offender has been identified must be reported. Categories 16 and 17 must be used to report incidents that involve weapons possession or the possession, use, or sale of drugs or alcohol but that are not reportable in categories 1-15. All incidents in Categories 16 and 17 must be reported.
